TELECOM*USA'S PETITION FOR	)	
CONFIDENTIAL TREATMENT OF INFORMATION	)	CASE NO. 91-258
CONTAINED IN ITS 1990 ANNUAL REPORT	)	

O R D E R

This matter arising upon request of Telecom\*USA filed July 15, 1991 for confidential protection of the financial information contained in Attachment No. 1 to its 1990 Annual Report, and it appearing to this Commission as follows:

Telecom\*USA has requested that the financial information contained in Attachment No. 1 to its 1990 Annual Report be protected from public disclosure as confidential information. The procedure for obtaining confidential protection of material filed with the Commission is set forth in Commission Regulation 807 KAR 5:001, Section 7. Subsection (2)(a) of that section requires any person seeking to protect material or information as confidential to file with the Commission a petition identifying the material or information sought to be protected and setting forth the specific facts, reasons, or other grounds upon which the petition is based. The request by Telecom\*USA does not satisfy the requirements of the regulation and is therefore insufficient.

This Commission being otherwise sufficiently advised,

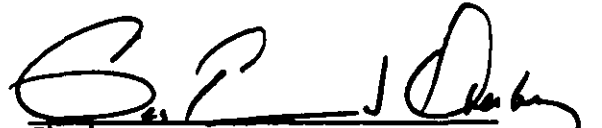

IT IS ORDERED that:

1. The financial information contained in Attachment No. 1 to Telecom\*USA's 1990 Annual Report, which Telecom\*USA has petitioned be withheld from public disclosure, shall be held and retained by this Commission for a period of 20 days from the date of this Order to allow Telecom\*USA an opportunity to file a petition in conformity with 807 KAR 5:001, Section 7.

2. If, at the expiration of the 20-day period, Telecom\*USA has not filed a petition for confidentiality in conformity with Commission regulations, the information sought to be protected shall, without further Orders herein, be placed in the public record.

Done at Frankfort, Kentucky, this 1st day of August, 1991.
